### StayWoke – Act

[Pin It](#)

Submit new PinIt items, view the items, and comment on them. These items are used to make important statements that define the overall contents of the deliberations. Other participants will be able to comment on the pinned statements and to express the relevance individual statements have for them.

[Ask It](#)

Submit new questions, view questions and the responses, and respond to questions. AskIt items are used to pose questions to all participants, who then can respond to these questions.

[Show It](#)

Submit new images or videos to show to all participants, view the submitted items and comment on them. With ShowIt, participants can show pictures, diagrams, sketches, videos or other visual items. Other participants can comment on these items.

[Share It](#)

Submit new documents to share with all participants, view the shared documents and comment on them. With ShareIt, participants can share documents they have uploaded with other participants. Other participants can comment on these documents.

[Talk It](#)

Talk about it. All can participate in conversation around specific topics.

[Write It](#)

Write a document. Once a document has been opened, all can participate in editing the document and commenting on the contents.

#### The Deliberation Room

**Topic: Challenges for the EPA "Environmental and Climate Justice Community Change Grants Program".**

The Environmental and Climate Justice Community Change Grant program (Community Change Grants) offers an unprecedented opportunity to transform disadvantaged communities across the United States into healthy, climate resilient, and thriving communities for their current and future residents. In this Deliberation Room we are discussing challenges in Hampton Roads that could be addressed and tackled with one or more Community Change Grants.

#### Deliberation Participation

**i** All registered Place4Us participants can contribute to this deliberation.

**Select Participant to be shown:**

- Barry Clemson (clembarrya@gmail.com): 1 contribution(s).
- Hans-Peter Plag (hpplag@mari-odu.org): 7 contribution(s).

#### Latest Contribution

**Hans-Peter Plag (hpplag@mari-odu.org) on Apr. 19, 2024, 16:22:38:**

I have been reading most of the relevant documents. The EPA page for the [Inflation Reduction Act Community Change Grants Program](#) is a good starting point. The [Announcement](#) of the opportunity provides an introduction and overview and also many helpful links. This page also has a link to the mapping tool to identify disadvantaged areas.
